Homemaking Services

www.northwoodsnice.org

Connecting, Enriching, and Empowering the Lives of Northwoods Individuals and Families is the mission of Northwoods Caregivers. One of the many services we offer to our region's elderly and special needs residents is Homemaking Services.

Our Homemakers are as unique and varied as our clients. And each of our Homemakers shares the same goal, which is to enhance the everyday lives of our clients through general housekeeping and other services.

Our Homemakers

In order to ensure the quality and safety of our clients, all of our Homemakers must pass an extensive background check (criminal, and personal/professional references). Additionally, each of our Homemakers has experience and training working with seniors and those living with special needs.

"My Homemaker is very responsible and always asks me if there is anything that she can do for me." – Joyce

Who is Eligible to Receive Homemaking Services?

All elderly and special needs clients are welcome to use our Homemaking Service. Services are available on a private pay basis or through a variety of County Alternative Care/Elderly Waiver programs through the counties Northwoods Caregivers serves.

General Housekeeping

Some of the most beneficial services provided by our Homemakers includes: Laundry • Cleaning • Dusting/Polishing • Vacuuming/Floors and many other housekeeping chores that help keep our client's home clean and organized.

"What a great program you offer!" – Shirley

Shopping

Our Homemakers can assist with grocery shopping, picking up prescriptions and other predetermined shopping tasks.
