

Dementia Diagnosis and Cultural Considerations

Presented by

Blythe S. Winchester, MD, MPH, CMD

Dr. Winchester is a Board-certified Geriatrician and a member of the American Indian—Eastern Band of Cherokee Indians nation.

“I have trained and given numerous presentations throughout the U.S. about dementia and aging related to the American Indian and Alaskan Native (AIAN) nations...”

- ◆ Recognize the signs of dementia & learn basic testing used for assessment
- ◆ Identify unique aspects of tribal culture that may be involved in dementia care
- ◆ Understand how to use wish/worry statements with families, care partners and dementia patients
